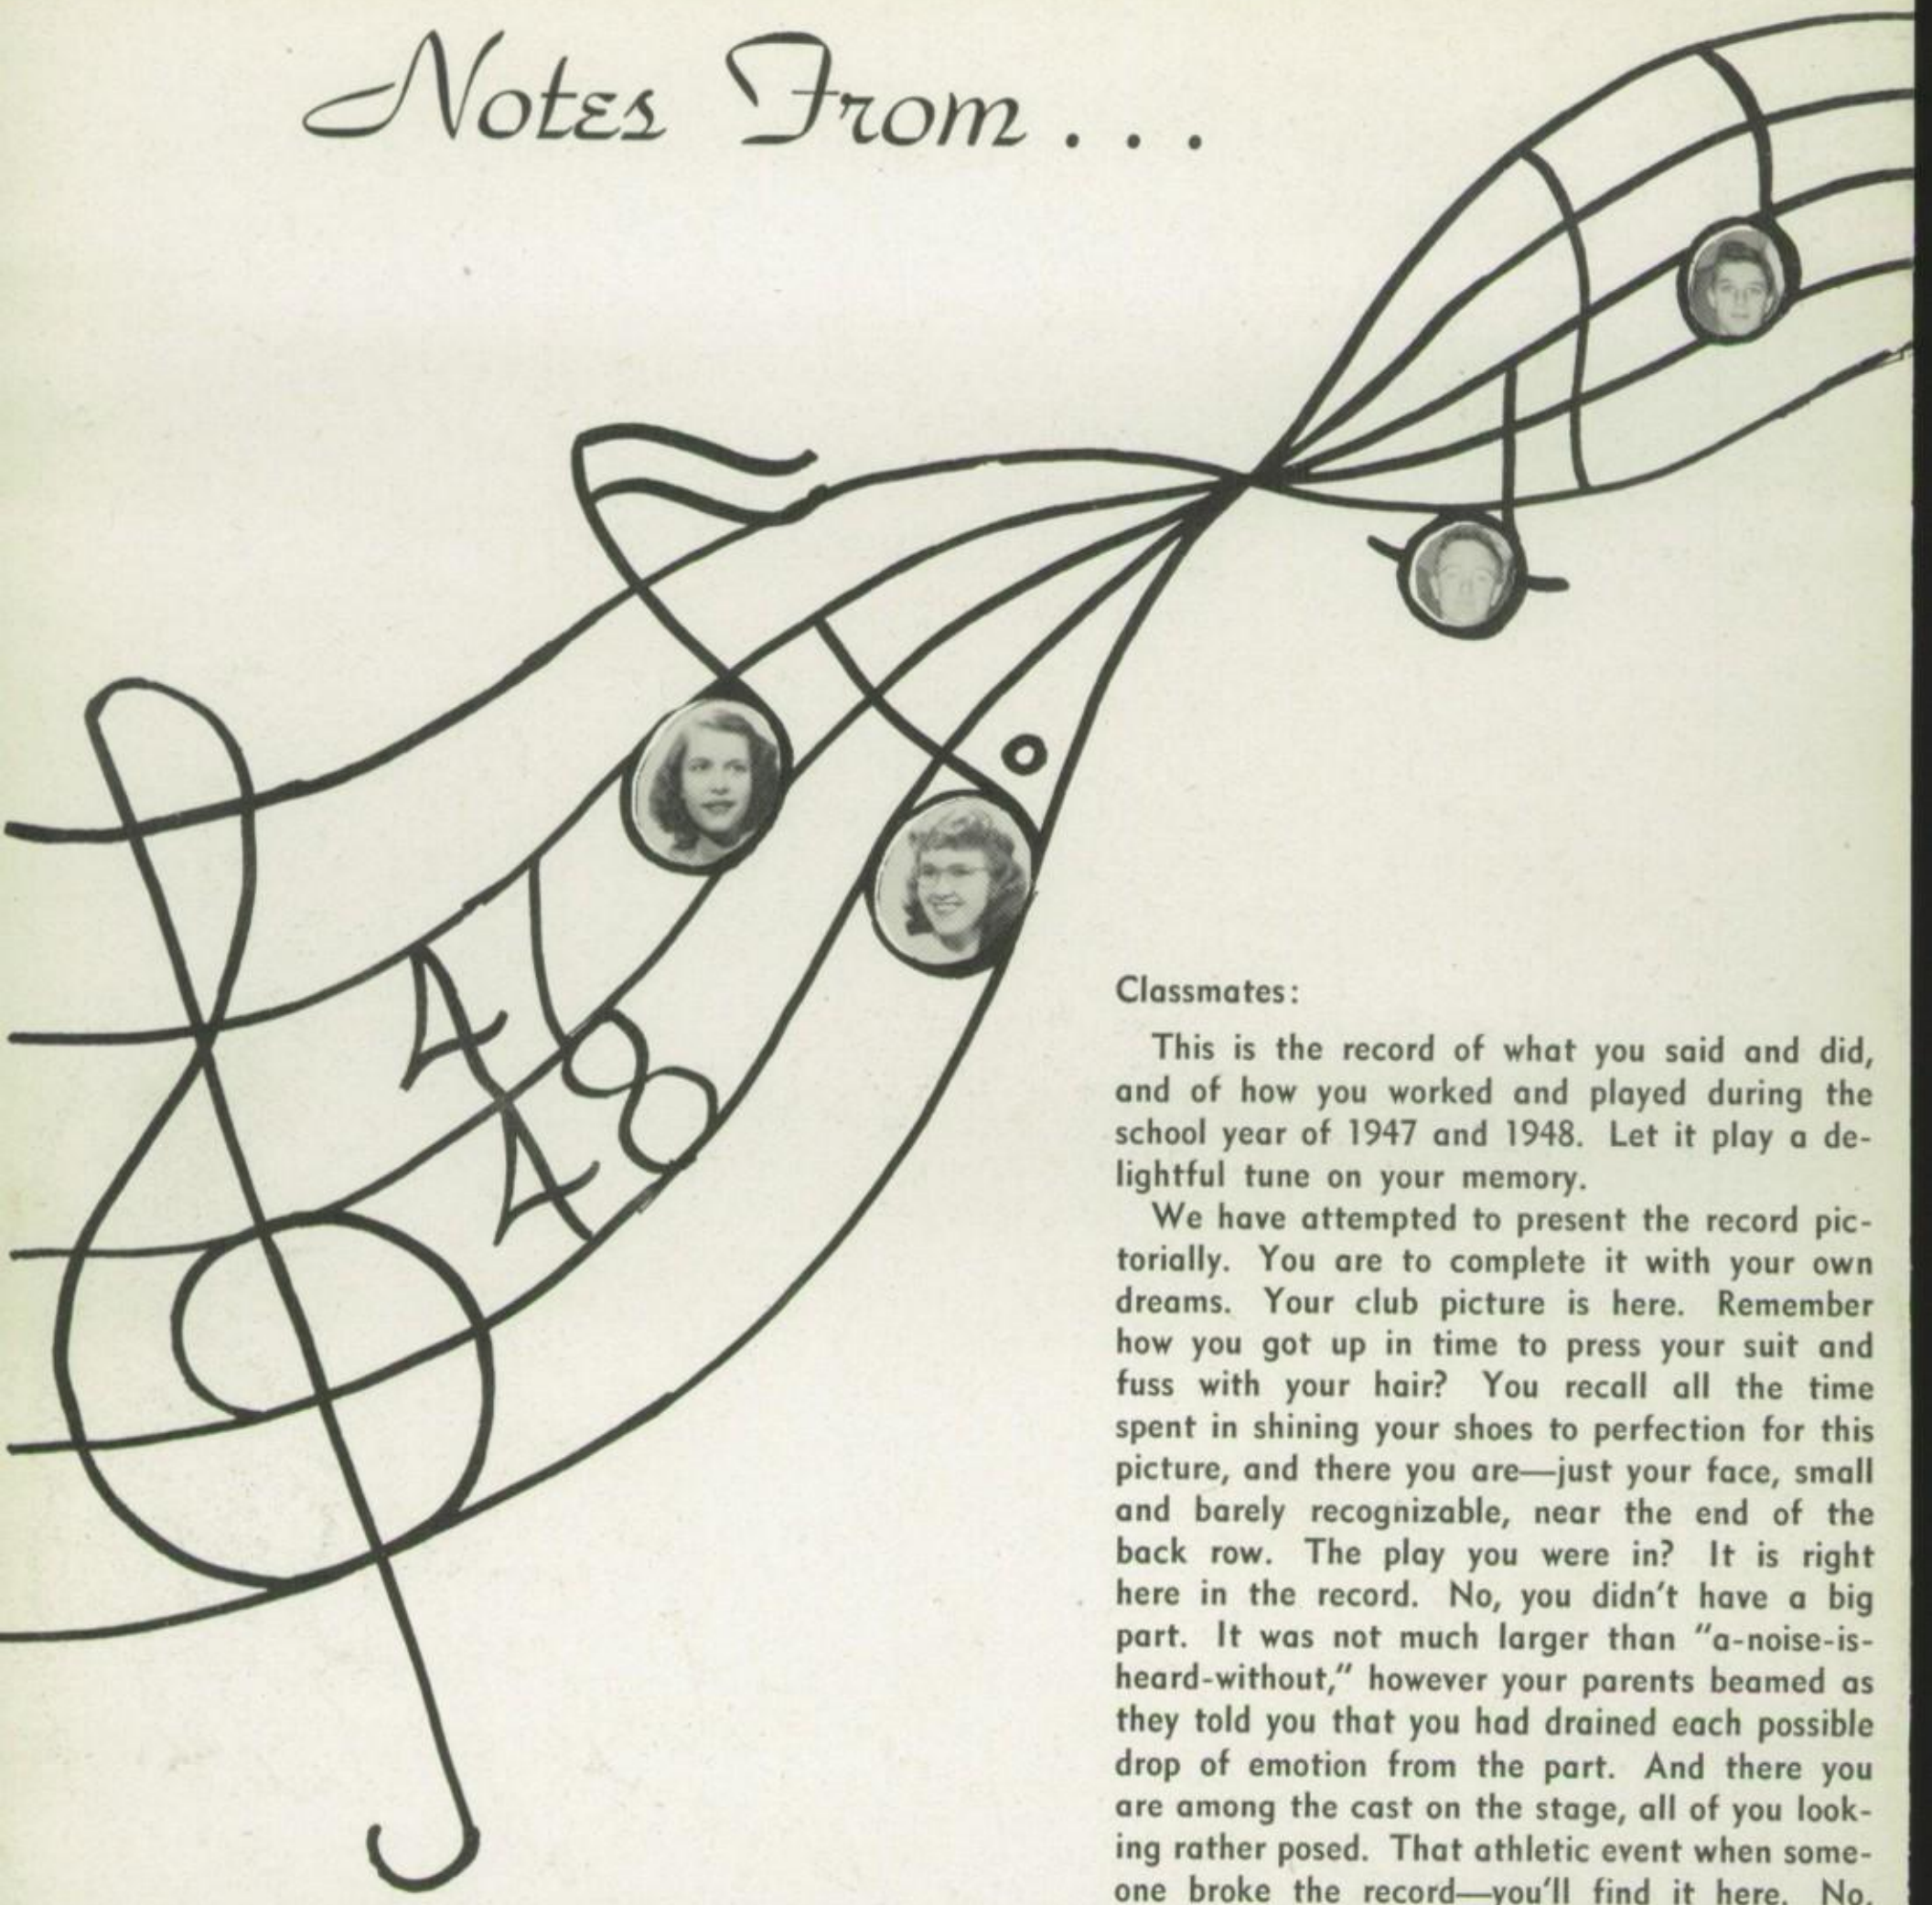
The 1948 Bobcat

Notes From . . .



Classmates:

This is the record of what you said and did, and of how you worked and played during the school year of 1947 and 1948. Let it play a delightful tune on your memory.

We have attempted to present the record pictorially. You are to complete it with your own dreams. Your club picture is here. Remember how you got up in time to press your suit and fuss with your hair? You recall all the time spent in shining your shoes to perfection for this picture, and there you are—just your face, small and barely recognizable, near the end of the back row. The play you were in? It is right here in the record. No, you didn't have a big part. It was not much larger than "a-noise-is-heard-without," however your parents beamed as they told you that you had drained each possible drop of emotion from the part. And there you are among the cast on the stage, all of you looking rather posed. That athletic event when someone broke the record—you'll find it here. No, you are not in the sweat-shirted figures, but you were there yelling outsize yells to shatter sound recorders. There you are in an informal snapshot, you and your man of the hour. That chap broke your heart soon after that, and you wept into your pillow for weeks. You'll never forget him.

You are coming to the end of this record. There you are, complete with the cap and gown, graduating sine laude. How nice you look! As the years hurry by, and a half-forgotten name of a classmate teases your memory, may this record carry you back to your most pleasant days during this phase of your life.

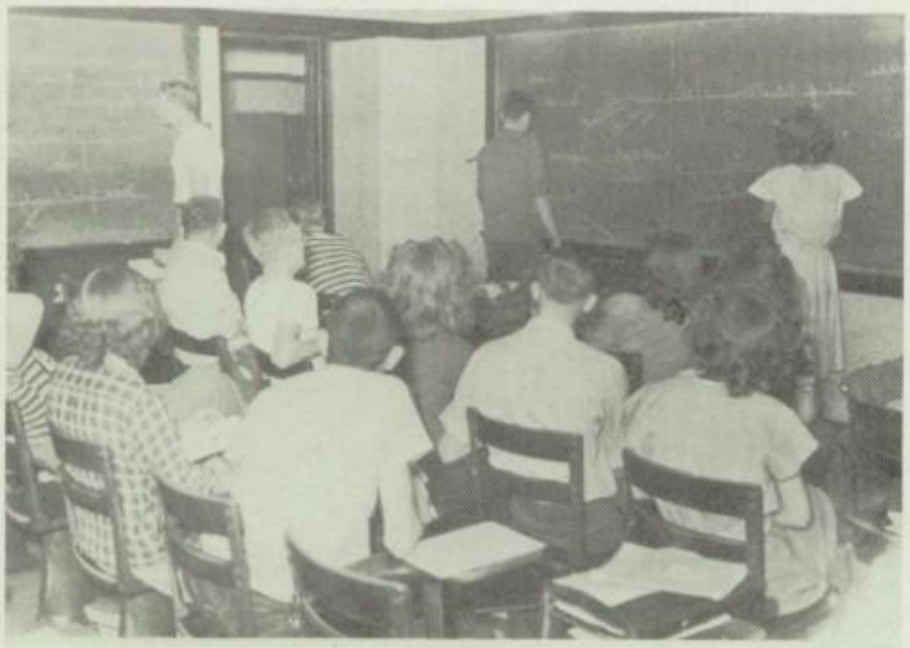
The Bobcat Staff

Dear Marilyn,
Lots of luck in
the future
"Joe" Dale

The harmony found in these records was arranged by the excellent work of Superintendent J. E. Martin, whose only thought was the well being of the students, and Principal L. D. Horrigan under the supervision of the School Board:

D. B. Doner, A. Schlender, C. Kjellsen, A. M. Eberle, S. A. Christensen, and E. Farnham.

Helping to produce these notes were the two secretaries, Agnes Schlender and Bernice Palmer.



A steady pitch was held in our scholastic attainment by the teachers of B. H. S.

English

C. Amanda Quill: Being a lover of books and routine has solved many situations. **Ruth Schaffer:** No one comes out of her class not knowing his subjects and predicates. **Evangeline Renshaw:** She finds time to help publish the Broboca despite a home and husband. **Mary Berther:** Spends a good deal of time about South Dakota directing her debate team.

"Split infinitives," "iambic pentameter," and "expletives" are a few of the expressions which the disc jockeys became acquainted with in English. Emphasis was placed on training the students to read, write and speak intelligently.

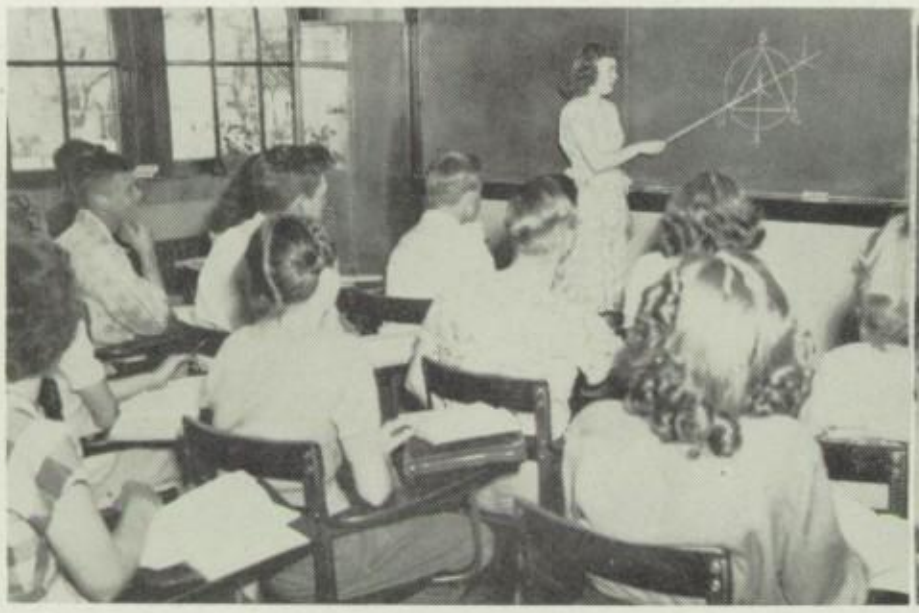
History

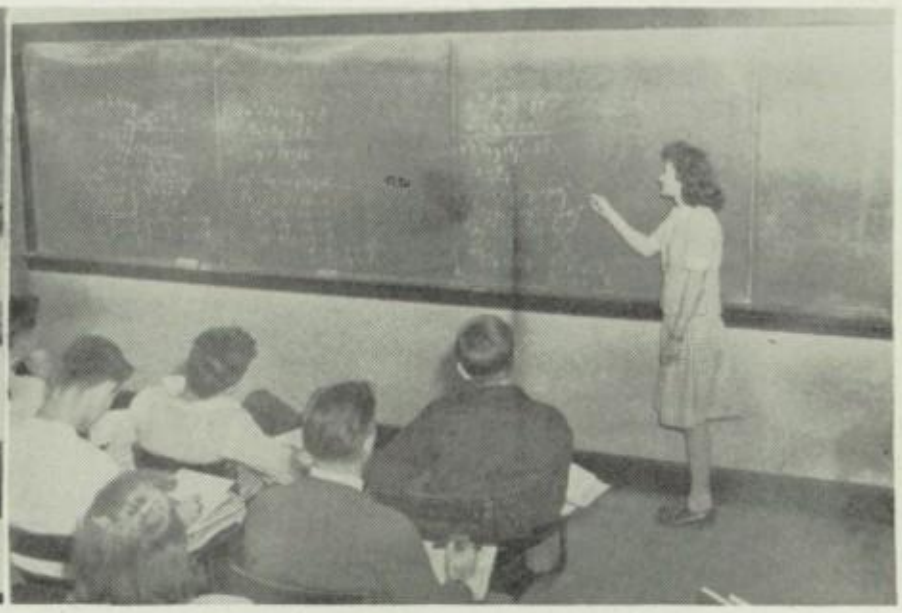
Keeping up with a fast-changing world, history students study places of current interest in Europe. Past, present, and future are revealed by the pages they study. By teaching of the success and failure of others, the History Department prepares them to meet their problems with intelligence and foresight.

Mr. Johnson: This well-informed citizen prepares his students to become intelligent voters in this changing world. **Leotta Hampton:** Despite her teaching Latin, she is able to direct some winning students in declam. **Mr. Stonefield:** Love of his farm takes all his spare time. **Eleanor Shanley:** Leaves no stone unturned in helping students to obtain the information they seek.

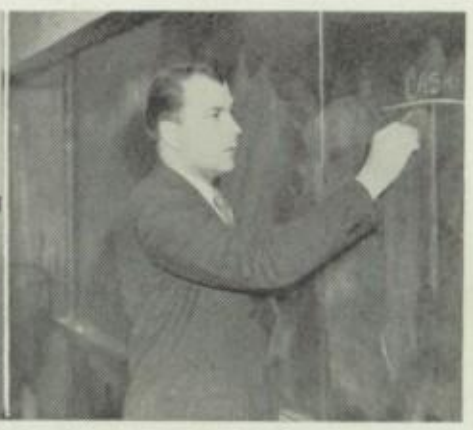
The library waits to enrich all who enter its book-lined shelves of wisdom and knowledge. It is a quiet haven in which to study the richness in the literature of yesterday and today.

Business and Mathematics





Does A over B equal C? The math classes know all the answers. From the simple problems of basic math to the complicated formulas of trigonometry. Looking ahead to the future, business-minded BHS'ers prepare for their vocation by taking commercial courses.



Frances Malmstrom: Has many interesting tales to relate about her visit to Mexico. **Ruth Helland:** She solves many problems in both Math and in the publishing of this book. **Eleanor Kettering:** "Stay in character, stage foot forward," the directing of our plays must keep anyone very busy. **Mr. Buholtz:** Keeps everyone in stitches with his tales of this and that.

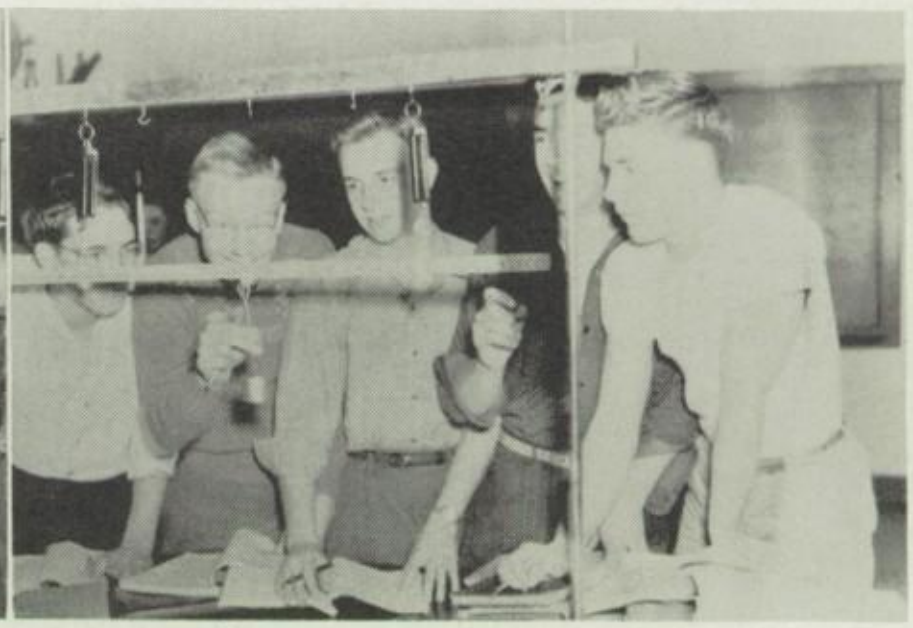
Practical Arts

To sew a fine seam and to cook a tasty meal is the aim of the future homemakers who know well the advantages of running a home economically.

Mr. Thompson: Under his apt direction there should be many good farmers in Brookings County. **Irene Otterby:** To inspire her students to greater appreciation of health, wealth, and home are their desires. **Susan Bates:** This charming hostess delights in serving tasty dishes to her many friends. **Mr. Sterrett:** Whether it be the making of organs or the sanding of cigar boxes, he knows his stuff.

In the Industrial Arts Department the boys learn the skills that keep the wheels of industry moving. In the Agriculture Department the boys are taught the latest methods of farming to improve their community.

Science



Whether it be in laboratory or darkroom, behind a hoe or peering into a microscope, our ambitious students prepare to take their places in tomorrow's scientific world. With the coming of the Atomic Age more and more students have turned to the fascinating subjects of chemistry and physics.

Mr. Karnes: Unless you are a lover of dish washing, beware!, don't venture into room 132 chewing gum. **Mr. Bell:** Whether on a football field or dissecting a worm, he feels quite at home. **Mr. Doody:** Goes quietly about his daily tasks, saying little and thinking much. **Cathryn Schaefer:** Finds time to advise the S. S. S. girls besides teaching students elementary science. **Christine Sawyer:** Our nurse when in need is a friend indeed.

In General Science the students were exposed to a little Biology when they dissected worms in class. Some girls got a little jittery, but they continued and found that worms had ten hearts. Our courses in science are offering us more general knowledge every year.

Forensics and Declamation

Ten people of the Forensic Group qualified for National Forensic awards and a chapter was formed in our school. These were Richard Chapman, Royal Doner, Donna Gamble, Wayne D. Johnson, Robert Kohlmeyer, Dolores Rykhus, Douglas Rykhus, Howard Sauer, William Schaphorst, and Teresa Serie, shown in the 2 top rows of picture. Douglas Rykhus with the greatest number of participations received the Award of Excellence.

The year's record included twenty-six wins, twenty-three losses, and eleven non-decision debates, a fourth place state orator, and extemporaneous speakers rating among the top three in all major invitational tournaments. Meets were attended at Huron, Sioux Falls, Watertown, and Madison.

Ten people competed in the local declamatory contest with Millicent Bruce and Dolores Rykhus in oratory, Le Nore Borst, Joan Knight, and Trudy Vandersluis in the dramatic class, Blake Kellogg, Helen Hansen, and Janet Sauer in the humorous division. Jane Gilkerson and Margery Moe were in the poetry division. The four winners are pictured in the front row. Joan Knight and Jane Gilkerson, first and second from left, entered the state contest where Jane received an Excellent rating.

Former members were: Barbara Baker, Charles Welch, Jeanne Christensen, and Royal Doner. These included the people who have worked both on the Broboca and the Bobcat.

Say It

The unwinding of the band record gives us many important events of the year. Among these was the playing for the football and basketball games and various community events. The band presented its annual winter concert under the baton of Arne Larson, and played various types of music—from boogie woogie to classics. The climax of this year was the receiving of a superior rating at the district music contest. The band has still not completed its appearances for this year as they have twelve summer concerts to complete. They also participated in the several parades and special community programs.

With Music

The turning of the Pep Band record gives us a different type of music—that of spirit—under the direction of Anmae Moberg, pictured at right. This organization, which is composed of 26 selected members from the band, adds the atmosphere of pep and spirit at all of our pep meetings. Not only does it play for our pep meetings, but it also makes two out of town trips—one for a football game and one for a basketball game. The pep band also makes other school appearances, such as playing for the homecoming festivities and they are often called upon to play for civic events. To the Brass Ensemble went a superior rating in the music contest.

Melody

The soft, sweet melodies coming from the orchestra record add a different atmosphere to the music department. Besides playing for the first meeting of Parent Teachers Association, they have had an important part in the Christmas Candlelight Service, the annual spring concert and graduation exercises under the direction of Arne Larson. Entering the district music contest at Brookings, the 61 piece group gained a superior rating. Even though it is losing a number of seniors, there are an equal number of Junior High students to fill their places. The year was completed by the annual music picnic at Lake Campbell. The band and orchestra are under the student direction of Anmae Moberg, president; Charles Welch, vice-president; Donna Adamson, secretary; and Marjorie Moe, treasurer. Jeanne Christensen, who presided as concert mistress, has played first chair violin for two years.

String Quartet: M. Halvorson, M. Rockwell, E. Severson, J. Christensen.

With Strings

Pit Orchestra is a chip from the orchestra record. Since the members number only 25, it is a smaller and more select group. Providing music for the junior and senior class plays was the Pit Orchestra's main duty. Practicing every Tuesday morning the String Quartet reached perfection, which proved true when they received a superior rating at the contest at DeSmet. Entertaining Kiwanis Club, concert groups, and playing for the style show, these girls were kept busy. Plus the superior rating the quartet received as a whole, each girl received an additional award for her solo work.

Melodious Melodies

In turning over the record we find the Mixed Chorus directed in harmony by Russel K. Griswold. It made its appearances at the Christmas Candlelight Service, annual Spring Concert, and commencement exercises. The Chorus reached its peak by being awarded an excellent rating at the district music contest.

By The Mixed Chorus

The playing of the L'Allegro record resounds the voices of twenty-four selected girls. It presented many programs during the year. The boys' chorus, which is made up of nineteen members, made its appearance at the annual spring concert and the district music contest.

Minor Melodies

The records of these "Minor Melodies" were played at many school and civic activities throughout the year. The girls' sextet(5), started out the round of musical activities of the year by singing for the Coronation festivities. This organization consisted of Trudy Vandersluis, Ruth Friedel, Millicent Bruce, Jeanne Christensen, Marlene Brick, and Helen Hansen. Beverly Breazeale was their accompanist.

At the Christmas program, directed by a committee of teachers, several tableaux scenes were presented, such as the one pictured in(3). The background music for these scenes was furnished by the mixed chorus under the direction of Mr. Griswold. Other music was provided by soloists and the L'Allegro club.

The mixed octet (1) consisting of Franklin Norman, Tom Brown, Daryl Peterson, Dwight Sloat, Ann Straw, Trudy Vandersluis, Jeanne Christensen, and Marlene Brick, appeared at the Christmas program and they climaxed their highly successful year by receiving a superior rating at the music contest in DeSmet.

Leaning toward the spiritual side of music, the boys' quartet was called upon many times to lend a finishing touch to school events. One of their most popular songs was "Dry Bones." At the junior-senior banquet this four made the piece even more realistic by pointing to the bones on a skeleton which they got from Mr. Bell's biology room. This group which consisted of Daryl Peterson, Dwight Sloat, Tom Brown, and Franklin Norman, also walked away with a superior rating at the contest.

Our two presidents of the choral section of our extensive music department are Anita Aaberg(7) and Ruth Friedel(6). Anita is the president of chorus and Ruth is L'Allegro "prexy." Through their co-operation with the other officers, many demands have been fulfilled.

Under the direction of Geraldine Crabbs the officers, sports leaders, and other girls participating had a successful year.

Tuning Up

Our executive board consists of fourteen members who manage our athletic activities, and also our social and financial ones. As a resourceful organization, we finance all of our activities by the sale of the various kinds of sweets in the basketball and football seasons.

We sponsor seven major activities during the year. Our first, to get you in the mood for sports, is speedball. Since it is on the order of one of our favorite sports, football, many participate in it. We play such games as ping pong, badminton (2), shuffleboard and various other sports which are all placed under the classification of Recreational Games.

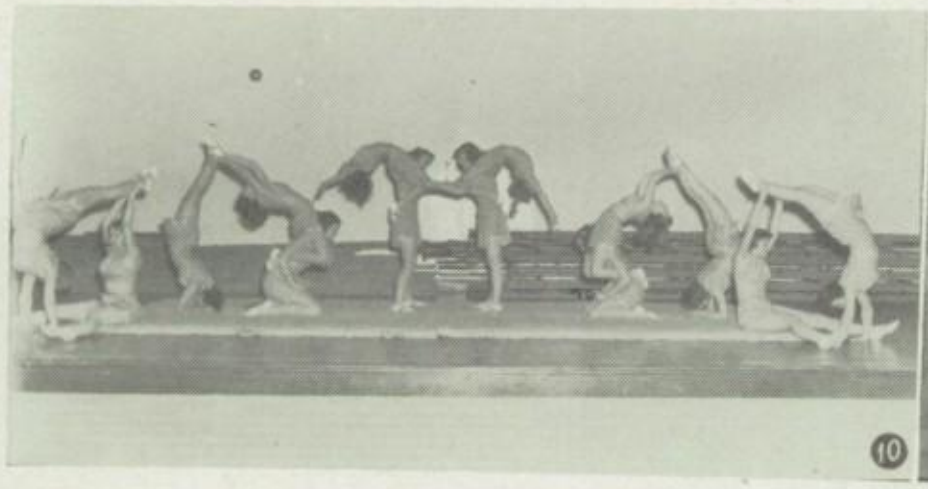
With the coming of winter, we begin our basketball season. An exceptionally popular sport, basketball (1) spurs up much interest in GAA members. Later we have volleyball, which is almost as popular as basketball.

Tumbling (9 and 10) calls for more skill than does any other sport. Our tumblers are divided into the advanced group and a beginner group. The advanced group performed in between halves of the regional basketball tournament and at a Physical Education program as a climax of the season.

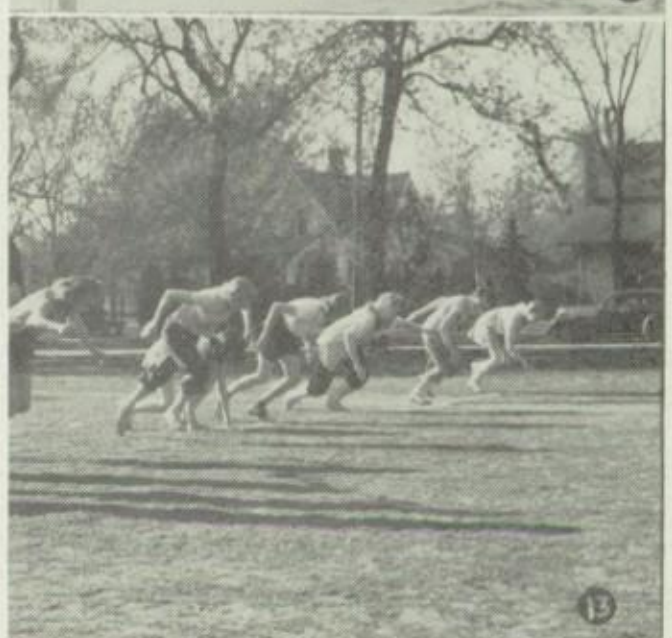
In the spring we have softball (11 and 15) and track (3, 12, 13 and 14), alternating them every other night after school.

Though we are an athletic association, our interests are also social. Three major social events take place every year. The first of these, our picnic, takes place in the fall and serves as a means of getting acquainted.

One of the highlights of our banquet, the next event, is the counselor who gives advice on our teen-



In GAA



age problems. This year Miss Volstorff, Dean of Women at State College, was our speaker.

In addition to the speaker at our banquet, this year we had a Conference Day for we girls. Miss Barbara Wright (5) of Minneapolis was our counselor and we discussed the problems we had as compared to the ones of the Minneapolis girls.

The big event of the GAA calendar year is the Gentless Jive (6). This is the dance that no boys are allowed to attend and the one time when "girls will be boys." Everyone attending is required to come in costume. This year we saw Indians, butterflies, and Dutch costumes. Our king and queen were Marleen Minier and Janet Sauer who dressed as elephants.

U-RAH-RAH—Yes, it's the old locomotive getting well under way in the assembly. Our chief engineer gives the signals and another pep assembly is in full swing. "Come on, go right in there and fire!" But all kidding aside, the Pep Club really is the backbone of the fighting spirit. It has endeavored to keep Brookings High School on the right track as far as pep and school spirit are concerned. Several times each year we scream our heads off for "Ye Old Pep Jug" and that is not counting the snake dance, and all the football and basketball games. We owe all this to our cheerleaders (4).

There are three awards given for participation in GAA. The first, the GAA monogram, is presented to those who have earned one thousand points. A gold medal is awarded to those who've earned two thousand points, and a bracelet is given to those earning three thousand points. Points are given on the basis of one hundred points for each sport participated in and extra points are given for outstanding ability.

To earn a letter it takes about two years of active participation; a medal can be attained in three or four years; and a bracelet represents four years of very hard work and active participation.

There is a bigger award gained from GAA than those mentioned. It is an award that will prove to be more important to us in the future—the meaning of true sportsmanship.

The Season's Record

With only three returning lettermen, the grid outlook for the Bobcats seemed rather dark, but Head Coach Harold White, who came to Brookings from Colorado State College, quickly whipped the Cats into a potent force with the able help of assistants Bell and Johnson.

After dropping the first two conference games, the Bobcats, under the leadership of veterans Captain Isaksen, Smith, and Norman, found themselves in a 27-0 rout of the Redmen from Flandreau. With this precedent no opponent was able to cross the Bobcat double stripe as the Cats rolled to six straight wins.

An oddity of the season was the fact that in all eight Brookings games one team always remained scoreless. The Bobcats wound up a highly successful campaign with six wins and two losses for a .750 average. In conference play the Cats won four games and lost two to finish third on a percentage basis following Mitchell and Aberdeen; however, according to the Dickenson ratings, the Bobcats were placed fourth in the ESD Conference.

MITCHELL 19 BROOKINGS 0

The Cats held the ultimate ESD champs scoreless for the first half, but John Cobb's hard running and Bob Murphy's pinpoint passing clicked for the Kernels in the third and fourth periods as Mitchell took advantage of three costly Bobcat fumbles. Cobb scored twice and Mabee once for the winners.

SIOUX FALLS 19 BROOKINGS 0

White's men had a first half edge in statistics although Mundehenke had scored on an intercepted pass to give the Warriors a 6-0 halftime margin. Sioux Falls cut loose from their single-wing in the last half as Leach and Brende scampered over for six-pointers.

BROOKINGS 27 FLANDREAU INDIANS 0

The Indians were the first victims of the Bobcat T, being crushed by the relentless Brookings onslaught. Fishback scored three plays after the Indians fumbled the opening kickoff; Durland booted the first of three straight conversions. Fishback passed to Johnson and then Fishback himself again scored for the third touchdown. In the last stanza Cheever marked up the final counter.

BROOKINGS 7 CATHEDRAL 0

Norman provided the thrill of the game with two minutes remaining as he pulled in a desperation enemy pass and raced 55 yards to break up a 0-0 deadlock; Durland converted. Neither team could make a sustained drive, and the Cats had fumbled twice inside the Cathedral ten yard line. The Irish had the margin in statistics, but the stubborn Bobcat line had effectively bottled up all attempts at a continued push.

BROOKINGS 6 WATERTOWN 0

The Bobcats climaxed their homecoming festivities with their first ESD victory. The Cats again kept the crowd in suspense until the last minute and one-half when Smith broke loose to romp 80 yards for the icer. In the first half the Bobcats had held the Arrows on downs. Watertown had the ball first and goal on the Brookings eight-yard line. The Bobcat defense had its hands full stopping both Thomssen's hard running and Christianson's passes.

BROOKINGS 7 YANKTON 0

Yankton's "iron men" were handed their first ESD loss by a determined band of Bobcats. The Whitemen played the Bucks on even terms the first half and then kept them in their own territory the second half, as the Cats' backs rocked the Yankton defense. Brookings scored in the third quarter as Fishback carried it over from the one, and "automatic" Durland booted the point.

BROOKINGS 13 HURON 0

Brookings' best offensive showing came in the first half, but they didn't score until the third quarter when Fishback passed 37 yards to Johnson; Durland converting. Then in the fourth, Norman galloped 77 yards to the Tigers' one on an intercepted pass; Johnson scored on the next play.

BROOKINGS 34 MADISON 0

After the Pipestone game had been canceled because of bad weather, the Madison game was moved to Bobcat field. The Bobcats had everything their own way in spite of the snow as they helped the 'Dogs to a perfect season—no wins. Fishback, Milfs, Sloat, and Norman racked up the points for the Cats, Norman scoring twice.

1. Cold, girls? 2. It's just the way you hold your mouth, Al. 3. I'll make it, Pud! 4. Lose something, Frankie? 5. Brr! It's cold! 6. What's up, Coach? 7. Uh-h!

"B" Football

"A" Basketball

This year's season provided many surprises for us, as the Bobcats started from the bottom with entirely new boys and battled to sixth place in the Conference and a much-respected seventh in the state tournament.

Prospects in the Brookings camp were at the lowest ebb in years due to the fact that none of last year's award winners returned. However, a line-up was quickly formed as five men proved their ability.

Although the Cats lost the opener, they later set their pace, and became a powerful team, losing to undefeated Huron by only one point. By earning a ticket to the state tourney this year's team upheld a fine Bobcat tradition.

At the end of the season eleven men received letters, eight of whom will return next year. Of these, five are seniors, two are juniors, and one is a sophomore. It was principally these men who carried our colors of red and black last year. Not only the regulars, but also the reserves showed a great deal of ability this year.

With all these thoughts in mind, we are looking forward to another successful year for our team.

"B" Basketball

Top: Straw, Nelson, Farnham, Mgr. **Second:** Revel, Dobrenski, Kukuk, Morrison. **Front:** Smith, Holliday, Prunty, Wobbema, Doland. A big step forward was taken by the "B" squad this year when they followed the varsity and played against the "B" teams of schools tackled by the varsity. This gives the underclassmen the opportunity to meet competition.

FRESHMAN TEAM

Back Row: C. Ness, P. Leinbach, O. Heesch, N. Kruse, R. Akkerman, J. Nitz, R. Olson. **Front Row:** G. Sharp, M. Linder, R. Elgy, R. Kearns, E. Tennis, E. LeFevre.

This team, coached by Virg Bell, competed with the eighth grade in a tournament from which they gained valuable experience.

Track Record

The Region champion Bobcat cindermen took third place in the E S D Conference meet and sixth place in the State meet. The Corn Palace Relays, Relays at Aberdeen, and Dakota Relays, brought forth glad notes for the team.

Two school records were set and one tied during the course of this season. Fishback came through with the Dakota Relay high jump record and several firsts in the Conference and State meets. (13.) The half mile record was broken and the high hurdle record was tied.

R. B. Smith and Bergman were outstanding in the half mile run and the quarter with Smith breaking the school record in the Conference meet with the time of 2:02. Straw won his letter in this event too. Bergman anchored the medley relay and at intervals he and Smith ran legs of the mile relay with Milfs, Norman (3), and Ahern.

In the sprints Ginn and Morrison (12) did a fine job. Both broad jumped well, especially Ginn who placed in the event in all meets. Erickson, Pickering, Searls, Doland, Kurtz, and Norman sprinted in various events also.

Pickering did well in the low and high hurdles (8, 10) during the season including a winning time of 15.6 in the Conference meet to tie the school high hurdle record. Other hurdlers were Quail and Kurtz (10). Kukuk participated both in the high hurdles and the pole vault.

In the distance department, Ahern and Cheever (11) took the honors with Mackintosh close behind. Ahern and Cheever placed regularly climaxing the season with a first and second in the Conference.

Starr (5) and Quail (6) were winners in the "B" meet. Dwight Sloat, manager, did an excellent job keeping the boys in good form. Lettermen are:

School Life

NO DOUBT AS A DISC JOCKEY YOU'LL LINGER LONGEST ON THIS SECTION, THAT PART OF THE SCHOOL DAY WHICH FALLS IN NO DEFINITE GROOVES FOR THESE ARE THE UNMORTGAGED HOURS THAT GAVE YOU SO MUCH PLEASURE. AND NO DOUBT YOU REMEMBER BOBCAT DAY? A DAY SO PACKED WITH KEEN EXCITEMENT, JOY, AND CHEERING THAT YOU COULD HARDLY STAND IT. THESE PICTURES REPRESENT THE FUN YOU HAD THAT NOBODY PLANNED. HERE'S THE EVIDENCE.

A Smile Will Go a Long, Long Way

The record, "School Life," started with a gradual crescendo reaching its height with Bobcat Day activities, which included a pep rally Thursday night. A free movie, the football game and the homecoming dance were held on Friday.

The main event of the pep fest was the coronation of Barbara Minier as Lady and Norman Isaksen as Lord (2) by last year's royalty, Gladys Linn and Ivan Johansen (4). Barbara was attended by Anita Aaberg and Patty Kennard (3). Norman's attendants were Arthur Ray Hartman and Charles Welch (1). Leone Solem and her crew managed the coronation.

Bobcat Day's football game between Brookings and Watertown came over a special television broadcast directly following the revealment of the royalty (8). This broadcast in the form of a skit was presented by the SSS.

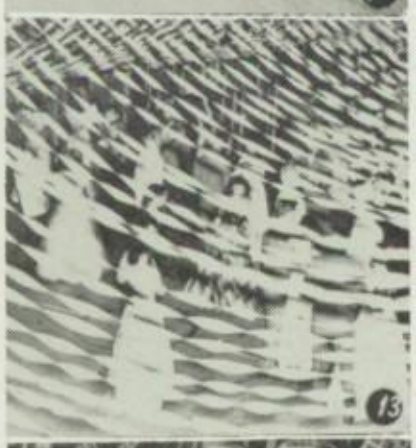
They then ventured from the junior high gymnasium to Kendall's corner for the organization of the snake dance (6). From there the fans proceeded to the bonfire (7).

After a victorious football game the following night the tired but happy B.H.S. students returned for the homecoming dance.

Bobcat Day

Swing and Sway

We were in the swing of things with our dances ranging from the after game come as-you-are to our formal prom.



After game dances were numerous and informal (1). The GAA dance was "fishy" in spots (7); St. Nick visited our "Q" ball (4); Janes jived at the Gentless (3, 6); Cupid linked hearts at the SSS Leap (15); we congoed and broke the pinata (10, 11); we paraded formally at the prom (12-14); once in a while we danced (2, 5, 8, 9).

All Work and No "Play"

To break the monotony of regular classes and studying, various assemblies and skits were presented during the year by the active clubs and organizations.

The SSS aroused the spirit of the B. H. S. student body with a skit that had the defeat of the Mitchell Kernels as its theme (1). The knowledge of the different students was tested when the Library Club gave an oral quiz with the various classes represented (2). As we place the needle on the record the SSS again plays its tune—this time with the State Tournament championship in mind (3).

Yes, we have our actors and actresses too. The Cue Club presented a one act play, "How to Propose," which gave us advice on just how to and how not to propose (4). The scene varied from the time of the cave man to the modern age when the woman does the pursuing. A bit of humor was added by the stage hand. Women are noted for their gossip as was shown in the one act play, "How The Story Grew," presented at the last Cue Club meeting of the year (5). Hearing that someone had moved into town they each added a little in telling it until they had one of their neighbors murdered by a mob of foreigners. Now you see how news spreads and develops when a woman has a hand in it.

Spanish Club contributed its part for the assemblies by giving a skit for the pep meeting and a program for Pan American Day.

Four Spanish caballeros swayed the chandeliers with their gusty Alla El Rancho Grande (6). Petitioning the gods for rain, these ancient bits of masculinity did the "Old Man's Dance." Demanding the identities be hidden, this trio was selected from the Spanish I class (7). Proudly displaying souvenirs brought here from Mexico by their adviser, the Spanish Club brought their Pan American Day program to a close, urging students to remember this year's theme, "The Americas Must Serve Mankind."

A Little Bit of Everything

Did you lose something (1)? Time out for a pose (2). Looks good (3)! Mr. Fixit (4). If I only had wings (5). The slave gang (6). It's about time (7)! The great Pavloa (8). The pep trio (9). A boost for Mabeline (10). About face (11). Goo, just plain goo (12). Muscles Johnson (13). And, now, my friends (14). A little crowded (15). Table Circus (16). Try again (17). Man, could that girl drive (18). Do I hear music (19)? Oh deah (20)! Guess who (21).

The Eyes and Ears of the Hall

For one who is weak or infirm the halls and lockers of B.H.S. are a place to be avoided (6). Doors bang and students rush to and from classes. To an onlooker this is one big mass of people and noise.

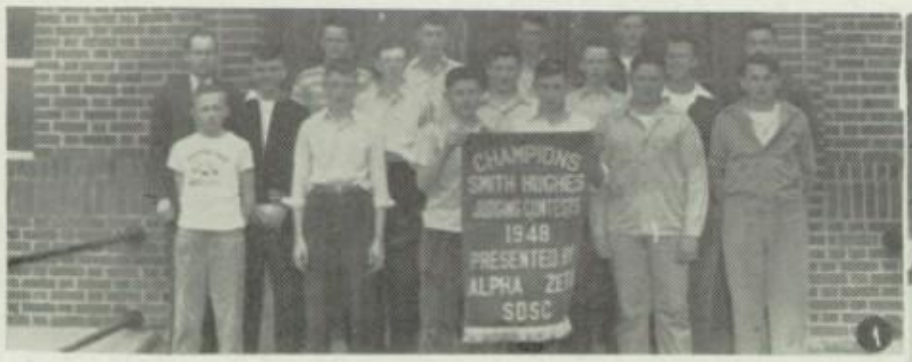
When we get a little too exuberant in the halls, we usually find a pink slip handed to us the following morning—thus a trip to "Doc's" office (7, 8).

These old walls of B.H.S. see and hear many things. They witness the coming and going of the various couples. Not uncommon to them is the sight of a twosome walking hand in hand (4), or the cry of joy from freshmen upon finishing their first Iowa State test (2).

They have heard the whispered rumors that something special is cooking in the student council (2). Everybody has his say in the governing of our student body, as the council consists of one elective representative from each home room, the student body president, and the vice-president. Reading from left to right they are: Mock, Chapman, B. Gamble, Sykes, Elgy, W. Johnson, Ginn, Schaphorst, Sloat, Koerper, Welch, Oyloe, Johannsen, Kendall, O'Leary, Olson, Borstad, Solem, and Kennard.

For many years the halls witnessed grueling initiation of the coming year's SSS. This year they again looked upon these eighteen girls, resplendent in pigtails and scrubbed faces (1).

The eyes of the school have feasted upon strange sights—dogs attending classes and costumed characters (5); the ears, the pre-game pep meetings; and its heart has gone with the students to the athletic events (9).



FFA Brings Home Bacon

Under the capable direction of Mr. Robert Thompson, the Ag teacher, the local chapter of the FFA gained state wide repute. During October six of the B.H.S. Ag boys attended the twentieth annual convention at Kansas City; the meats team representing South Dakota was composed of John Hanson, Harold Kurtz, and Keith Kennedy. The three remaining delegates were chapter officers and the winner of the chapter contest (5).

In December the club held their annual boar sale, in co-operation with the 4-H clubs (2). Also in December the boys entertained their fathers at the father-son banquet (4). After the dinner they adjourned to the junior high auditorium for a program presented by the Gay Nineties Quartet.

The boys representing B.H.S. in the state FFA judging contest held at State College in April, came home proudly bearing the Alpha Zeta banner, which they got for piling up the most points for excellent and superior ratings during the meet (1). Maurice Ahern is the local chapter president (3).

The Home Ec Department was the destination of every hungry B.H.S. student when the bell rang at four o'clock on the days that pie or cake sales had been announced previously (6). Betty O'Leary, president of the district FHA, will attend the first national meeting of the Future Home Makers of America at Kansas City from July 6 to July 9 (7). The girls held a Christmas festival where they wrapped their Christmas packages for children in other countries. They received many strange and interesting cards in return (8). Girls in the Home Furnishing class displayed their artistic abilities by arranging art centers (9).

Classes

THIS YEAR THE CLASSES ARE RIGHTLY INTRODUCED BY THE STUDIOUS SPANIEL WHO ADOPTED US. HIS SPLENDID ATTENDANCE RECORD, HIS PERFECT DEPORTMENT IN CLASSES, AND HIS DIGNIFIED ASSUMPTION THAT HE WAS A SCHOLASTIC EQUAL, GAVE HIM THE UPPER PAW WITH THE TEACHERS.

Lavender and Old Lace

The Junior Play

Mystery, romance, and humor developed as Mary Ainslie waited for her never returning lover for whom she kept a lamp in the window; and Sophrony Trotter, the town gossip, put in her word about everyone in "Lavender and Old Lace" presented by the Junior Class April 2, 1948. Some high lights of the event were centered around the intriguing romance of Ruth Thorne and Carl Winfield and the courtship of Hepsey and Joe. Another humorous situation resulted in Jane's bringing home from Europe a hen pecked husband.

The cast consisted of: Hepsey, Helen Hansen; Joe, Lyle Koerper; Sophrony Trotter, Joan Knight; Ruth Thorne, Marlene Brick; Carl Winfield, Bob Durland; Bernice Carlton, Teresa Serie; Jane Hathaway, Trudy Vandersluis; James Ball, Wendell Lane; Mary Ainslie, Le Nore Borst; Dr. Patterson, Frank Norman.

The production staff chairmen were: Business manager, Paul Erb; stage crew, Calvin Wipf; stage properties, Charles Horner; costumes, Mary Lou Schaphorst; makeup, Juanita Watson; prompters, Mary L. Schaphorst and Nancy Kendall; publicity, Marlys Kjenslee; ushers, Nason Fishback. The play was under the direction of Mrs. Kettering.

Citizenship Honors

The Business and Professional Women choose two outstanding senior girls each month and entertain them at a dinner. In March this organization entertained all of the senior girls.

Each month the Rotary Club chooses one of the outstanding boys in the senior class and he attends their meetings for the month.

The Kiwanis Club selects two worthy boys from the senior class and entertains them at each meeting for a month.

Six outstanding junior boys and three worthy girls are chosen to represent BHS at Boys' and Girls' States. In June these nine students go to Aberdeen and Mitchell. At Mitchell the girls learn about government and meet other honored girls from other schools. At Boys' State our representatives hold offices and study governmental affairs.

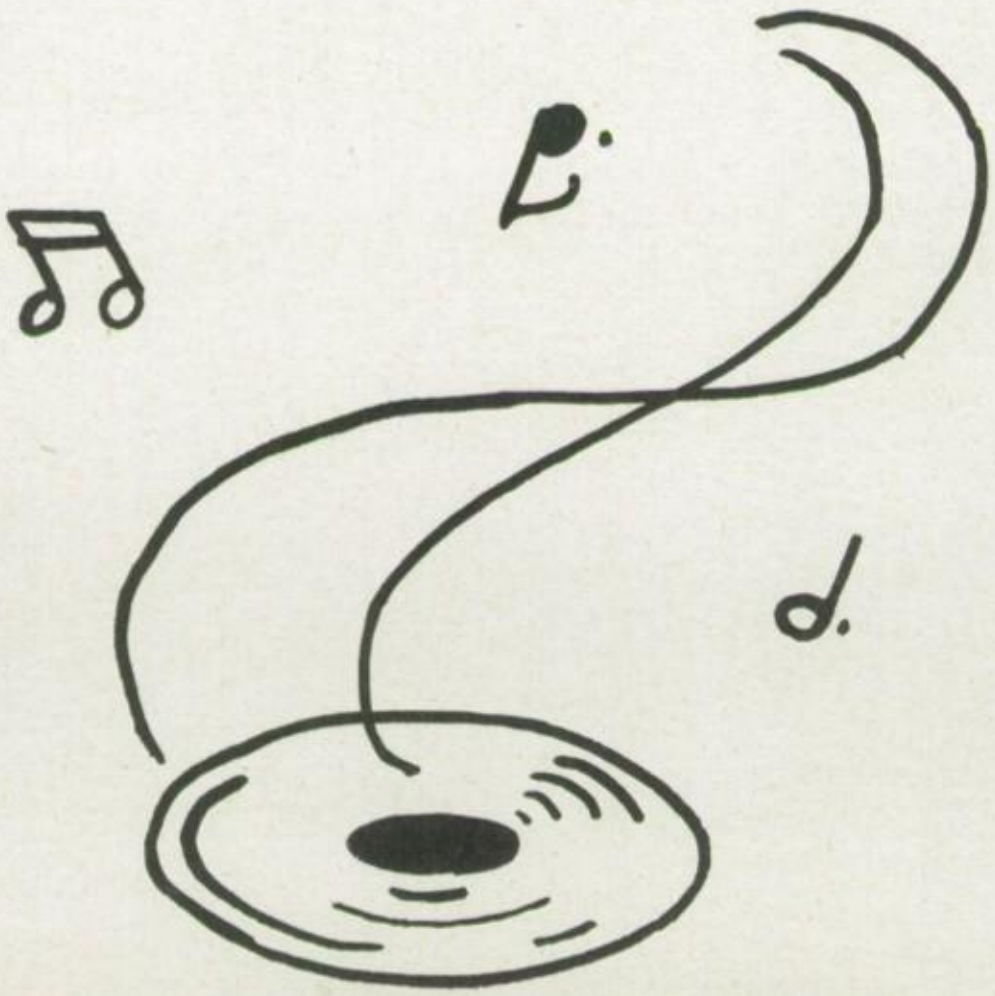
Senior Section

FOR US, THE SENIORS, THE RECORD HAS PLAYED ITS COURSE. AS THE YEARS FLY BY YOU WILL TURN THESE PAGES 'TILL YOU COME TO THIS— YOUR CLASS GRADUATION PICTURE. AS YOU SEARCH AMONG THE FACES OF YOUR OLD CLASSMATES LET THEM RECALL THE HARMONIOUS NOTES OF YOUR HIGH SCHOOL RECORD.

Now Is the Hour, When We Must Say Goodbye



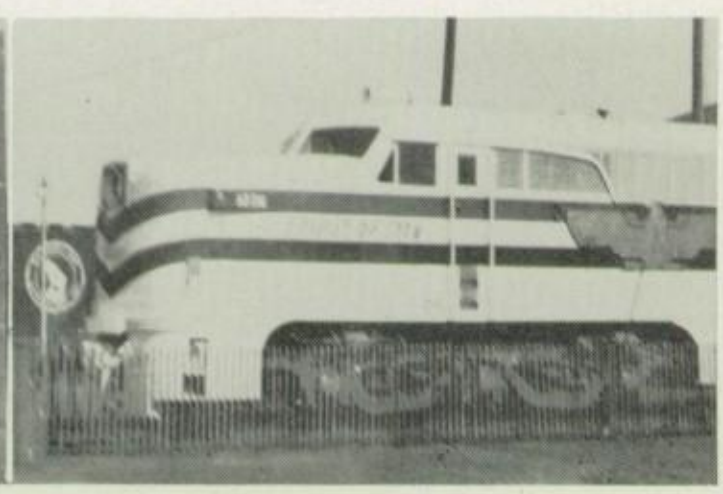
The Final Chapter

"Sulphur and Molasses," the senior class play, which was under the direction of Mrs. Eleanor Kettering, depicted the life of a small town doctor and all his worries and woes. "Old Sulphur and Molasses" Fairweather (Blake Kellogg) was thus named because of his cure-all prescriptions of sulphur and molasses. His devoted wife (Marjorie Moe) quieted the rebellion of their two teenage daughters when Dr. Benson (Chesney Gottschalk) moved into town and abused their father's practices. Fairweather's son, Edmund (Royal Doner), and a medic, considered dropping his career to help his father's broken practice. Humor was mingled into the drama by the town gossip (Bonnie Lundin), the cranky maid (Jeanne Christensen), Mrs. Spratt (Barbara Baker) and Mr. Spratt (Charles Welch). Janice Morgan (Patty Kennard) interrupted the romance of Archer Turner (Ray Hartman) and Verna Fairweather (Dorothy Olson). Mrs. Turner (Lois Duff) and Mrs. Goodhur (Barbara Minier) contributed toward the happy ending.

Among nodding tulips, Dutch windmills, and white picket fences the junior-senior prom goers danced to the soft music of the Varsity Club orchestra on the night of April 10. Going to the Lutheran church for the banquet, prom goers were served steaks by the waitresses dressed in Dutch costumes. Junior class president Dwight Sloat, emcee for the evening, introduced the speakers—Douglas Rykhus, Leone Solem, Superintendent J. E. Martin and Principal L. D. Horrigan. Mary Lou Schaphorst and Nancy Kendall gave a marimba duet. Dwight Sloat, Daryl Peterson, Franklin Norman, and Tom Brown, as the boys' quartet, added to the gay feeling of the evening.

Pilgrims to the prom heard Mr. A. B. Larson play his mezzo-soprano saxophone during the floor show, and Joan Knight, Joyce Pederson, Trudy Vandersluis, Marlene Brick did a novelty dance in Dutch costumes.

As the old Dutch clock struck 11:30 the tired, but happy, couples started on their homeward way.



We will never forget Skip Day. Leaving town at six o'clock in the morning, in cars and the school bus, we arrived in Sioux Falls. There we were among the first to go through the Freedom Train. Last of all was a picnic at Terrace Park.

Senior Tests

At the close of the school year seniors look with fear to the Thursday and Friday on which they must take their last examinations. The night before finds them all industriously reviewing—in some cases learning for the first time—all the subjects from English to chemistry. All utter sighs of relief when the long ordeal is over.

"TODAY" was the theme of this year's classnight. Five short skits carrying out this theme were presented by the various members of the senior class. The above pictures represent three of them—the waltz, under the direction of Anita Aaberg; the witches, Charles Welch; the string concert, Norman Isaksen. The central idea was that all today's knowledge is based on yesterday's discoveries. Thus, today will be the yesterday of tomorrow.

Awards

Acting as master of ceremony was Doug Rykhus who introduced the faculty for presentation of the following awards: Leone Solem received the DAR award; Mary Parker and Alvera Micheel received library awards; Lois Duff was presented with the Home Economics award; Paul Bergman, the FFA award. Doug Christensen, acting for Fern Johnson, awarded the girl's citizenship award to Leone Solem and the boy's to Charles Welch.

The Beginning of the End

Senior Commencement Week of 1948 began on Sunday, May 16, with the Senior Sermon leading the week's activities. The long to be remembered service was highlighted with the sermon by the minister of the local Baptist Church, Reverend E. E. Klein, who chose "The Successful Man" as his subject for the evening.

On graduation night, clad in their gray caps and gowns, the senior class marched in to the traditional "Pomp and Circumstance," played by the High School Orchestra. Speaker for the program was the Reverend August M. Hintz of the Baptist Church of Sioux Falls. The orchestra then played two numbers under the direction of Mr. Larson. Superintendent J. E. Martin introduced the graduates, and presentation of diplomas was made by Mr. A. M. Eberle.

Most of the seniors started out to the Senior Breakfast in the right sort of spirit for the theme was that of the Kentucky Derby, and most of us were definitely racing against time to arrive at the scheduled time. The breakfast was the last of the events which brought to a conclusion Commencement Week. Douglas Rykhus, as toastmaster, introduced Mr. Martin and Marian Ladd as the speakers. Music was furnished by Joan Norman and Charles Welch. At the conclusion of the program the seniors realized that their race had just begun.

The record circles to a close. Perhaps there were notes that jarred a little; perhaps you are not applauding the complete performance. Remember that music is the one language in which you cannot say a mean or sarcastic thing. We have tried to give you the facts in perfect tune, so that we could say in closing, "This is the record."

Day and Night

. . . issue the sounds of students at work and play. In many ways the sounds we students made during the year were indicative of the success we had in our activities. Indeed few people could deny the success of our Seattle World's Fair band, our sharp-shooting championship basketball team, and our smooth talking debaters, but these noisy activities were a mere paragraph in the BOBCAT success story. Such diversified sounds as the quiet swish of a paper airplane in a study hall, the booming cheers at football and basketball games, the sickening crash of glassware in chem lab, the gay sound of candy falling from a pinata, the groans of new club members at their initiations, the sharp crack of the track starter's gun, the mellow blend of the choral groups, the ring and crash of carriages being returned in typing class, the sound of brass choir playing Christmas carols in the halls, and the shrieks of delight and mournful wails at term's end, contributed to life in Brookings High School. All of these sounds helped to make this year one of the biggest in the history of our school—a year we hope the BOBCAT will help you remember.

Losing the first game to Luverne, a highly rated Minnesota team, did not dampen the spirits of the Red and Black, as they breezed through the next two games against Flandreau and Huron, although the Cats were behind the defending ESD champion Tigers after the first period. In the fourth contest the Bobcats defeated Mitchell as a strong defense thwarted a last half Kernel rally. By dumping the Cats, Aberdeen spoiled BHS homecoming festivities and a three game winning streak. The next Bobcat foe, the rugged Watertown Arrows, showed their power with a decisive victory. Brookings visited Yankton where the Cats' hopes for a runner-up position were shattered by a determined team. In the final home game Madison's Bulldogs fell under a strong Bobcat attack to close the football season with an even four-four record.

There were four returning lettermen on the Bobcat squad: backs; Bill Iverson, Reed Sanderson, and Henry Nelson and lineman; Mike McCann.

Chosen to the second team of the All-State football team were Reed Sanderson and Tom Biggar. Those chosen for Honorable Mention were Henry Nelson, Mike McCann, Martin Johnson, and Bill Iverson.

Acquiring varsity status in athletics, cross country now ranks with the three major sports at BHS. Coach Bob Stewart's striders participated in two triangular and two dual meets, winning both duos with Watertown and Yankton. Noel Prussman led all covering the 2.3 mile course in 12.01, breaking his previous mark of 12:19.6. Noel was voted "most valuable runner" and Tom Klinkel, "most improved runner," by the squad.

The four seniors who played in the winning State "A" basketball game: Bill Iverson, Gary Schutjer, Henry Nelson, Reed Sanderson.

Amid the blare of automobile horns, fire sirens and lung bursting shouts from their local followers the State Champion Bobcats entered Brookings, bringing home the first such honor in a decade. The previous evening the Cats had sounded their own triumphant call by stepping on highly-rated Sioux Falls. Entering the tournament play with a commendable record, losing only to Mitchell once and to Sioux Falls twice, the team continued their winning ways, ending with a 21-3 mark.

Balanced was the word for the Bobcats, which was clearly shown in the MVP election, won by Bill Iverson in a close race with Gary, Henry, and Ron. Also the reserve play of Bill Gamble and Reed Sanderson made the excellent coaching strategy of Dal Eisenbraun easier with the ever-present possibility of "seven" starters. Gamble was the only substitute to receive all-tourney recognition-honorable mention (on his birthday).

Track

After the gun sounded, the Brookings track squad, combining veteran experience and rookie determination, pounded their way around the cinder tracks to complete a very successful year. BHS thinclads participated in a total of eight meets, losing the single dual to Watertown. However, the Bobcats won the Section II meet and placed second in the Watoma Relays, Flandreau Invitational, and the Region III meet. Ten BHS boys placed in the Howard Wood Relays. As a result of the Region III, seven trackmen ran in the State meet. In the finale BHS cindermen captured fourth in the ESD meet.

Two previous Brookings records were broken as the spring medley relay team set a new school mark of 3:47.4 and the two mile relay squad established a new BHS record in the time of 8:25.9.

Two mile relay team: Noel Prussman,
Larry Foreman, Jerry Koenders, Ron Milfs.

Track Stars See Action

The Sprint Medley relay record breakers comprised of runners: Ron Milfs, Gordon Rezatto, George Semeniuk, and Tom Behrend.

Ron Otterness, oustanding BHS broad jumper, captured six firsts, one second, and one third in that event. Big Ron also placed in numerous other events.

Reed Sanderson, shown below clearing the bar in his specialty, the pole vault, won five firsts. Reed also ran in the sprinting relays, low and high hurdles, and placed in the broad jump.

Larry Robinson, BHS high jump ace, propels himself over the bar as he did during the season when Larry placed third twice in this event.

Intramural Basketball

INTRAMURAL CAPTAINS: Noel Prussman, Ted Kryger, Bruce Stone, Larry Foreman, John Pogue, and Gordon Rezatto.

Under the direction of Coach Gibbons intramural basketball is for all boys who are not already playing on a school squad. Divided into six teams, each playing the others twice, Foreman's team walked away with the honors, winning both the league and tournament championships.

GOLF. First Row: Pat Lyons and Bill Iverson. Second Row: Tom Tritle, Bob Borrud, Kennon Vaudrey and Bruce Stone. TENNIS. Standing: Mike Harrison and Van Fishback.

After several weeks of rain-shrouded practice a series of four meets began at the adjoining towns of Madison and Watertown for a pre-State meet with four other schools. Bill Iverson and Pat Lyons attended the State meet, preceding the conference meet at Madison where the Cats took fourth, ending the golf season.

Mike Harrison and Van Fishback comprised the racket squad, participating in two tennis meets at Watertown. They won the first and captured runnerup in doubles at the second, which was the State tournament.

As a thrilling climax to a busy and successful year the band traveled to the Century 21 Exhibition at Seattle, Wash. to perform on South Dakota Day. This was the result of long hours of practicing which also yielded a superior rating in the annual music contest for the 19th time. In the solo and ensemble contest they gained 26 superiors and 18 excellent ratings, and seven musicians attended the All State Band Festival.

A half-time show with many formations was given at homecoming time. Music for everyone was presented at the annual spring concert with special lighting and scenes.

Arne B. Larson

Director of Band and Orchestra

In the shivering cold, or falling rain or under the blazing sun when the uniforms were either too hot or too cold, the band, as a marching unit, performed on many occasions. Led by the high stepping majorettes they marched in parades on colorful Hobo Day, Governor's Day, SDSC Stampede and Memorial Day.

The majorettes were Judy Trudell, Yvonne Howell, Marcia Runkles, Sheryl Younger, Diana Fish, Laurel Stime, Mary Weins and Shirley Weins, head majorette.

"Get those A strings up, violins," "Lower that C, cornets," and "Why don't you try to be on time for once?" are familiar phrases to the 35 members of the orchestra, which meets at eight in the morning before most of the other students arrive in school.

In November ten members attended the two day all State Orchestra in Huron. The orchestra took part in the Christmas Program and the Senior Sermon. A concert was presented on May 4 during National Music Week. This year the orchestra received a superior rating in the Regional Music Contest held at SDSC on April 7. This was the twentieth year that the orchestra received a superior rating.

The Sound of Music

"Do Re Mi," "My Favorite Things," and "Climb Every Mountain" were a few of the songs often heard echoing through the building as a result of rehearsals for the many appearances and concerts of the vocal music department.

Select Choir was the feature chorus at both formal concerts and sent twelve members to join with 1200 other youths throughout the state in the All State Chorus.

L'Allegro, known as the traveling 24, made appearances before many organizations, including both the Watertown and Brookings student bodies.

The vocal department rated high at both contests, winning a total of six superiors and eight excellents. The appearance of L'Allegro and Select Choir at Senior Sermon and Graduation provided an excellent climax for a successful year in vocal music.

Homecoming

Coronation

The Royalty

Amidst loud applause Mary Kay Mitchell and Reed Sanderson were crowned our new Lord and Lady on Homecoming eve. Their attendants were Bonnie Borstad, Phyllis Wagner, William Iverson, and Gordon Rezatto.

Following Coronation, the royalty led the parade to the bonfire in convertibles. There the cheerleaders and the pep band roused school spirit. Homecoming night the Ladies of Royalty circled the football field.

Bobcat Day Committee

Plans for the big day were made by Gordon Rezatto, Bobcat Day Chairman, and his head committee of: Skip Christensen, Nancy Davis, Mary Kay Mitchell, Annette Larson, Carolyn Johnson, and Bruce Stone.

The Bobcat Dance

Following the Homecoming game, the royalty led the alumni in the Grand March at the Bobcat Dance. Dancing to the music of a swinging orchestra, the students ended an eventful homecoming.

Red and Black Day

On the day preceding homecoming all students appeared in fantastic costumes of red and black.

The day stimulated enthusiasm for the events to come.

Special acknowledgement should be given to those who helped bring success to the sports field. These ambitious groups played an important part in making the State "A" Championship a reality for everyone in BHS.

No pep meeting would be complete without the support of the pep band. This group of musicians, under the direction of Annette Larson, worked with the cheerleaders in planning music for pep assemblies and other athletic functions throughout the year.

Pep Club, an organization fairly new to BHS, is rapidly becoming indispensable. They presented skits at the pep assemblies, encouraged the team with their enthusiastic pep banners, and mustered enough vocal aid at games to bring the Bobcats to the top.

Promoting pep at football games, basketball games, and pep assemblies, maintaining good sportsmanship among spectators, and preserving friendly relations with students from visiting schools are just a few of the duties of the "A" squad cheerleaders. The five sophomore girls which compose the "B" squad were the pep promoters at the B basketball games and helped the "A" squad at pep assemblies.

Officials' Club and GAA Board

All activities of the Girls' Athletic Association were organized and directed by the board, headed by DaMaras Elston. The first weeks of fall found the girls outside playing speedball. As the weather turned colder, the girls turned to indoor recreational games and basketball. The basketball season was climaxed by an All-Star game, played at a general assembly. The Mat Cats performed at several basketball games during the year. Volleyball, along with the badminton tournament followed. Spring weather brought the girls back outside to track and softball.

As is traditional at BHS, the Jentless Jive, a costume dance was held in January.

State in Speech

State honors were won for Brookings High School in virtually every field of speech this year. An intensified program produced excellent results in declam, debate, and all other activities!

Declamation

Twenty-three students participated in declam. Outstanding work in oratory, dramatic, humorous, and poetry, yielded four local winners. Ann Westbrook, Barbara Carley, Nicki Schoepf, and Ormond Smythe received superiors at the local contest. Ormond received a superior at the state contest at Pierre.

National Forensic League

The organization which best reflects the entire speech program is NFL. Four of this years members of NFL, the only national high school organization, sported the degree of special distinction. The officers are: President, Mike Harrison; Vice-President, Alphus Christensen; Secretary, Linda Klinkel; and Treasurer, Nancy Davis. There are thirty members of NFL, an increase of six over the previous year.

A personable girl and her unconventional family are the subjects of this play which revolves around Alice Vanderhoff and Tony Kirby's love affair. Alice's eccentric family led by Martin Vanderhoff upset the amorous apple cart when Tony's parents arrive unexpectedly, and observe the Vanderhoff family in their favorite activities. Amid added excitement in the form of a G-man raid and a night spent in jail the budding love affair seemed doomed. When Mr. Kirby, Tony's commercialistic father, calls at the Vanderhoff home for his son, things seem black indeed. All ends well, however, when Martin Vanderhoff convinces Mr. Kirby that "You Can't Take It With You." Mr. Kirby relents, and Alice has Tony.

Cue Club

In order to be a member of Cue Club, a student must have been a member of the play cast or a committee chairman in either the junior or senior year or have been a committee member for two years.

At regular meetings members took turns showing their talent in skits and songs. After the matinee of the senior class play the club gave a pot-luck supper for the members of the play cast and committees. They also had a squirt gun booth at the Kinetic Klub Carnival. The year closed with a pot-luck supper held for the initiation of new club members at which time hilarious costumes and stunts were seen.

Future Homemakers

Activity has been the password for the Future Homemakers of America this year. The club met once a month for varied programs, among which flower arranging was one. A number of girls attended the District Conference in Webster, and visited the Elkton Chapter of FHA as part of the Round Robin Program. The club contributed ten dollars to the State FHA scholarship fund, and by serving a banquet made some money to contribute to the band fund. The girls observed FHA Week by taking flowers to all the classrooms. A Parents Night was held in May, at which Mr. J.B. Johnson gave a talk on his family's stay in Egypt.

Future Teachers of America

Stimulating students' interest in teaching and helping them become acquainted with this field is the primary aim of the FTA. Their activities started with a potluck and initiation. The Kiwanians, and Delta Kappa Gamma, held a teaching clinic for this and other groups. The Spring Banquet was held in Volga. Mr. Max Myers, the guest speaker, showed slides of Africa. An important activity of the girls was practice teaching. They observed students in a grade of their choice and taught a class once. Mrs. Lenore Pavlick was their adviser.

Future Nurses of America

"Healthiest club in school" that's the FNA! This year our aspirant nurses took part in a program of sterile supply for the Civil Defense, which was under the direction of Mrs. Swanson. Advising the girls for the larger part of the year was Mrs. Gladys Johnson Nelson who accompanied them to the State Future Nurses Convention in Howard. Mrs. Janet Moriarty replaced Mrs. Nelson and has since been their adviser. The FNA sponsored a cookie booth at the Kinetic Klub Karnival, and ended the year with a potluck dinner.

Student Government

The Student Council, headed by William Iverson, Student Body President, was the sounding board for all student grievances, suggestions for new ideas, and plans for student activities. The discussions created a better understanding between administration and student body. The council was made up of one member from each homeroom of the three classes.

The council had charge of registration and ushers for College Day and Eighth Grade Visitation Day. They also sponsored after-game dances.

Clatter and Chatter

The clack-clack of typewriters was the constant sound heard in Miss Helland's room. This sound typifies the bustling activity of the Bobcat Staff in an effort to produce the 1962 Bobcat. Miss Helland patiently answered questions and gave advice, which was much appreciated, to the entire staff. Many hours were spent by each member of the staff for their pages in the yearbook.

Allan Jones-Photographer. Harvey Svec assisted Allan throughout the year. This team produced the pictures for both the Broboca and the Bobcat Staff.
